

Dear Parents, Guardians and Children,

I cordially greet and assure you of my prayers.

Below I listed some suggestions on how you can experience the Holy Week in this new reality.

Holy Week 2020

Palm Sunday - I will prepare the Palm. I will listen to the Holy Mass broadcast during which the spiritual blessing of the palms will take place. I can decorate the entrance to the house with palms.

Good Friday - I will clean all crosses that I have at home. I will put the cross in an important place. I can light candles and decorate this place with flowers. I will listen to the broadcast of the Good Friday Liturgy. I will pray the Stations of the Cross.

Holy Saturday - I will prepare an Easter basket with food for the Easter table. Blessing of Easter baskets will take place through the internet - on our website at <https://www.stconstance.org>. Blessing will be at: 9am, 10am, 11am, 12pm.

We encourage you to take family photos with palms, Easter baskets, Easter decorations or your participation in Holy Mass and other prayer services in your Domestic Churches.

Please email them to - aniastr44@gmail.com –

We will gladly post all photos in the Photo Gallery of the Religious Education Program or on the parish facebook page.

We encourage children to use the above suggestions and do other enrichment activities posted on our Religious Education website.

With prayer,
